Wath is the economic outlook for OECD countries? an interim assessment. OECD septembre 2006, 12 p.

Some gradual rebalancing of economic growth is expected between the US and Europe in the second half of 2006, according to the OECD's interim assessment. Chief Economist Jean-Philippe Cotis said that after the catch-up in activity earlier in the year growth is likely to slow in Europe while expansion in Japan and the US regains momentum. Gradual rebalancing of economic growth expected between US and Europe in second half of 2006, says Chief Economist Cotis
